William Alger

algerw@icloud.com (502) 758-4615 github.com/Will-Alger linkedin.com/in/williamalger

Adaptable CS undergraduate with software engineering & IT testing experience. Eager to contribute to innovative projects by leveraging skills in test-driven development, agile methodologies, and cross-functional collaboration. Committed to continuous learning and growth while working alongside experienced professionals in a dynamic, problem-solving environment.

SKILLS

Languages: Java, C++, Python, Typescript, HTML & CSS, jQuery, PHP, PHPUnit, Jest

Technologies: Docker, Git, GitHub, Jira

Methodologies: System Development Life Cycle (SDLC), Agile, Scrum

EXPERIENCE

Kroger Technology – Software Engineer Intern

May 2022 – August 2022 Cincinnati, OH

- Implemented a gamification leaderboard widget aimed at boosting employee productivity (piloted in multiple Kroger stores).
- Worked with continuous integration and deployment (CI/CD) pipelines.
- Gathered requirements to establish acceptance criteria.
- Debugged codebase & conducted code reviews.
- Managed JIRA workflows and collaborated with PMs and designers in cross-functional settings.

Cincinnati Insurance Companies – IT Testing Intern

Sep 2021 – Nov 2021 Cincinnati, OH

- Documented and reported test results and defects.
- Wrote and executed test cases.
- Participated in bug triaging and tracking processes.

PROJECTS

Linear Feedback Shift Register Visual Tool - will-alger.github.io/LFSR/

Nov 2022

- Developed & deployed dynamic LFSR visualizer on GitHub Pages.
- Empowers cryptology students to deepen understanding of digital encryption.
- Visualizes core concept in action for better learning experience.

Full-stack To-Do App

Oct 2022

- Conducted automated unit testing using PHPUnit.
- Developed comprehensive documentation utilizing requirements traceability, test plan creation, and defect tracking.
- Adhered to industry best practices such as: test-driven development, pair programming, and MVC pattern.

EDUCATION

Northern Kentucky University – B.S., Computer Science

Aug 2020 – Dec 2023 (expected) - GPA: 3.97/4.00 Highland Heights, KY
